

GRACE BIBLE FELLOWSHIP CHURCH

5-Year Ministry Report
(2020 – 2025)

Message from the Chairman

Peter Charles, Chairman – Grace Bible Fellowship Church

By the grace of our Lord Jesus Christ, it is with a heart full of gratitude that I present this 5-Year Ministry Report of Grace Bible Fellowship Church. Over the past five years, we have witnessed God's unchanging faithfulness, His mighty hand at work, and the power of the Gospel transforming lives in ways we never imagined.

What began as a small fellowship has grown into a vibrant ministry reaching hundreds of souls. We have baptized new believers, discipled the next generation, expanded outreach into unreached communities, supported widows and orphans, equipped pastors and leaders, and stood as a beacon of hope and truth in a world of uncertainty.

Our mission has remained clear and unwavering: to preach the uncompromised Word of God, build strong Christian families, and nurture a Spirit-filled community that walks in love, humility, and service. Every initiative, every mission trip, every prayer meeting, and every act of compassion has been made possible through God's provision and the sacrificial support of faithful partners, volunteers, and prayer warriors.

As we reflect on these years, we also look forward with renewed vision. The harvest is still plentiful, and the call to serve is louder than ever. With your continued prayers and support, Grace Bible Fellowship Church will press on—stronger, bolder, and more committed to the cause of Christ.

May the name of the Lord be glorified through all we do. Thank you for being part of this journey. Together, let us continue to build His Kingdom on earth.

In Christ's Service,

Peter Charles

Chairman, Grace Bible Fellowship Church

Our Mission

At Grace Bible Fellowship Church, our mission is to glorify God by planting churches, preaching the Gospel to all nations, and demonstrating Christ's love through acts of service. We are committed to reaching the lost, discipling believers, and transforming communities through the power of God's Word and the work of the Holy Spirit.

"Planting Churches, Preaching Christ, Transforming Nations."

Our Vision

Our vision is to see churches established in cities and countries around the world, where believers gather to worship, grow, and serve. We envision a global movement of faithful followers living out the Great Commission — spreading the message of Jesus Christ, performing good works for the glory of God, and advancing His Kingdom until every nation knows His name.

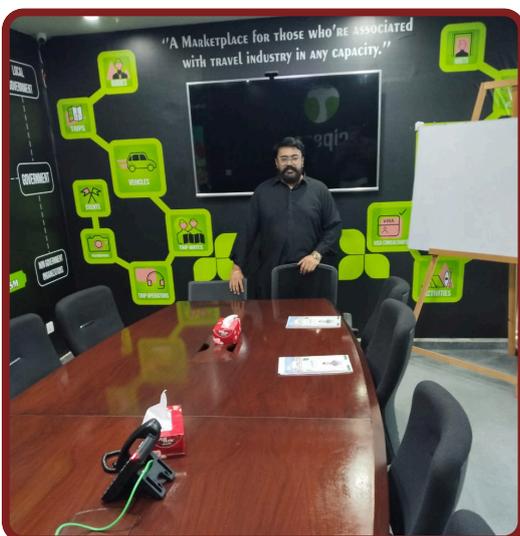

Transforming Youth for Christ

Over the past five years, Grace Bible Fellowship Church has emerged as a vibrant center for youth transformation and leadership through faith-based development programs. From humble beginnings in 2020, the church launched a dynamic Youth Ministry with a clear vision: to build a generation of spiritually strong, socially responsible, and skillfully equipped young Christians.

Grace Bible Fellowship Church: 5 Years of Transforming Youth for Christ (2020–2025)

Transforming Youth for Christ

Despite the challenges of a global pandemic, the church remained committed to youth empowerment. Online Bible studies, digital discipleship sessions, and virtual skill workshops became a beacon of hope for hundreds of isolated youth. As restrictions eased, in-person events like leadership camps, career seminars, and sports tournaments brought young people back into community – stronger, more focused, and more faithful.

Each year brought new milestones: the formation of youth mission teams, the launch of mentorship and internship programs, and the introduction of creative platforms like music, drama, and digital content creation. By 2024, over 3,500 youth had been impacted across rural and urban regions, with over 50 emerging as trained youth leaders now serving in their own communities.

Through strategic partnerships, generous donors, and unwavering pastoral support, Grace Bible Fellowship Church has cultivated not just events – but lifelong transformation. As we look forward to the next five years, the vision remains rooted in Christ: to disciple, develop, and deploy young believers to lead with purpose in the church and the world.

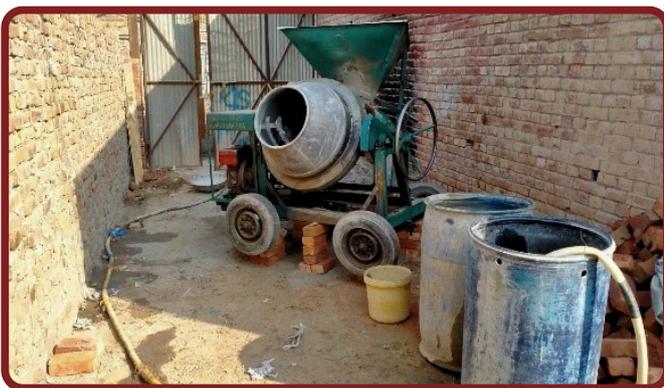

Reaching the Unreached

Church Planting Mission of Grace Bible Fellowship Church

In a world where countless communities remain untouched by the Gospel, Grace Bible Fellowship Church has stepped forward with bold faith and a clear mission — to plant churches in areas where no one is reaching and preaching the name of Jesus Christ. Over the past five years, this vision has come to life through strategic outreach, prayerful planning, and sacrificial commitment.

Recognizing the spiritual hunger in remote villages, underdeveloped towns, and marginalized Christian communities, the church launched its Church Planting Movement. Trained evangelists, equipped youth leaders, and mission-minded volunteers were sent out with a passion to preach the Good News, disciple new believers, and establish living churches where there had once been silence.

Reaching the Unreached

Church Planting Mission of Grace Bible Fellowship Church

Through this mission, churches have been planted in neglected areas where persecution, poverty, or lack of resources had previously prevented Gospel outreach. Each new church plant began not just with sermons but with service — offering food, education, prayer, and hope to hurting families. Simple gatherings under tents or in homes eventually became growing fellowships filled with worship, learning, and transformation.

To date, Grace Bible Fellowship Church has planted [insert number] new fellowships in unreached regions, raising up local leaders and pastors to continue the work. These are not just buildings — they are beacons of light, love, and life. With the goal of planting even more churches in the years to come, the church invites believers everywhere to pray, support, and stand with them in this calling. Because the mission is clear: Where no one is reaching, we will go. Where no one is preaching, we will proclaim Jesus.

Healing with Compassion

Free Medical Camps in Rural Areas by Grace Bible Fellowship Church

Driven by the love of Christ and a deep concern for underserved communities, Grace Bible Fellowship Church has extended its mission beyond spiritual care to physical healing. Over the past five years, the church has organized numerous free medical camps in rural areas where healthcare is scarce and suffering is often hidden and ignored.

These camps were launched with a simple yet powerful vision: to be the hands and feet of Jesus to the poor and needy. With support from Christian doctors, nurses, pharmacists, and volunteers, the church team traveled to remote villages where access to basic medical care is limited or nonexistent.

Healing with Compassion

Free Medical Camps in Rural Areas by Grace Bible Fellowship Church

Each camp provided free consultations, medicines, health screenings, and prayer support to hundreds of families. From elderly patients with chronic illnesses to malnourished children and pregnant women without prenatal care, the camps became a source of hope and healing. Alongside medical services, the team also shared the Gospel, prayed for the sick, and offered Bible literature to anyone seeking spiritual comfort.

These efforts not only saved lives but opened hearts. In many cases, these camps were the first point of Christian contact in communities unfamiliar with the Gospel. As a result, doors have opened for long-term ministry and church planting in these areas.

Educating for Eternity

Grace Bible Fellowship Church School System

With a heart for transformation and a vision to break the cycle of poverty through Christian education, Grace Bible Fellowship Church launched its School System to provide quality, faith-based learning for children in underserved communities. This initiative is more than a school – it's a mission to raise a generation rooted in truth, character, and purpose.

Educating for Eternity

Grace Bible Fellowship Church School System

The Grace Bible Fellowship Church School System was founded on the belief that every child deserves access to both academic excellence and spiritual foundation. In areas where schools are lacking, education is expensive, or Christian values are absent, the church stepped in to offer a life-changing solution. With trained teachers, loving staff, and a Christ-centered curriculum, the schools serve as a safe haven where children grow in knowledge, faith, and confidence.

The curriculum combines academic subjects with Bible studies, moral education, and life skills, ensuring students not only succeed in exams but also develop as responsible, God-fearing citizens. Regular chapel services, Christian assemblies, and creative arts also help students discover their gifts and build a strong relationship with Christ. Today, the school system is educating [insert number] students across [insert number] campuses, many of whom come from disadvantaged backgrounds. Scholarships, free uniforms, and book support are offered to orphans and low-income families, ensuring no child is left behind.

The Grace Bible Fellowship Church School System stands as a light of hope — raising tomorrow's leaders, pastors, teachers, and professionals who will carry the torch of faith and excellence into every corner of society.

Spiritual Growth & Discipleship

At Grace Bible Fellowship Church, we are committed to helping every believer grow deeper in their faith and stronger in their relationship with Jesus Christ. Spiritual growth is a continuous journey where we become more like Christ through prayer, worship, studying the Word, and living out our faith daily.

Discipleship is at the heart of this journey — teaching, mentoring, and encouraging one another to follow Jesus more closely. We believe that as believers mature, they are called to disciple others, creating a ripple effect of faith that impacts families, communities, and nations. Our goal is to build strong, rooted followers of Christ who live with purpose, serve with love, and shine His light to the world.

A Great Harvest

86 Souls Baptized After Revival at Raiwind Brick Kiln Church

A wave of revival swept through Raiwind's Brick Kiln community as Rev. Tariq Rehmat boldly preached the unchanging message of the Gospel. In an atmosphere filled with worship, repentance, and the undeniable presence of God, 86 individuals publicly declared their faith in Jesus Christ through baptism — a powerful testament to the transforming power of the Word.

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.”

— Matthew 28:19

A Great Harvest

86 Souls Baptized After Revival at Raiwind Brick Kiln Church

These brick kiln families, often overlooked and marginalized, responded to the love of Christ with open hearts. Many of those baptized shared testimonies of healing, deliverance, and renewed purpose after years of hardship and spiritual hunger.

This event marks a significant milestone in the ministry of Grace Bible Fellowship Church, reminding us that God is moving powerfully in the most unlikely places. From dusty kilns to the waters of new life, the Gospel is breaking chains and building hope.

We celebrate this historic moment and continue to pray for these 86 new believers as they begin their journey of faith. The fields are indeed ripe for harvest – and this is only the beginning.

Feeding the Hungry

Batch of Grocery Distribution for Needy Families

In times of inflation, unemployment, and rising poverty, Grace Bible Fellowship Church has taken bold steps to stand with families in need. As part of our ongoing humanitarian mission, a new batch of essential groceries was prayerfully packed and distributed among the most vulnerable households in rural and urban communities.

“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink...”

— Matthew 25:35

Feeding the Hungry

Batch of Grocery Distribution for Needy Families

This initiative not only addressed physical hunger but served as a powerful reminder of God's provision through His people. Volunteers worked tirelessly to prepare, transport, and personally deliver each pack – filled with food staples like flour, rice, lentils, oil, and more.

For many recipients, this act of love brought hope in moments of despair. It showed that the church is not just a building but a body that cares deeply for every soul in need – spiritually and physically. We thank our partners, donors, and faithful volunteers for making this outreach possible. May this batch of blessing multiply, and may we continue to serve as Christ's hands and feet in every season.

We now prayerfully extend a heartfelt invitation to international ministries, churches, organizations, and mission partners to join hands with us. Together, we can reach the unreached, teach the untaught, and serve the unseen – across Pakistan and beyond.
